Dear Karyn:

On behalf of the Board, staff and myself, I wish to thank you for the support and interest given to the Clinic during your tenure as Chairperson & Director. There is no doubt that the Clinic has benefited from your contribution to this worthwhile community facility.

I am taking this opportunity to invite you to retain an interest in the Legal Clinic by remaining as a member of the Corporation. I believe that the Clinic will continue to expand its horizons in order to fulfil its mandate.

Once again, thank you very much for your continuing interest.

Yours very truly,
